

Privacy Policy

We are committed to protecting your personal information and your right to privacy. If you have any questions or concerns about this privacy notice, or our practices with regards to your personal information, please contact us at support@klipmeapp.com.

If there are any terms in this privacy notice that you do not agree with, please discontinue use of our Services immediately.

This privacy notice applies to all information collected when you visit our website <https://klipmeapp.com> (the "Website"), and more generally, use any of our services (the "Services", which include the Website), as well as, any related services, sales, marketing or events.

WHAT INFORMATION DO WE COLLECT?

Personal information you disclose to us

We collect personal information that you voluntarily provide to us when you register on the Website, express an interest in obtaining information about us or our products and Services, when you participate in activities on the Website or otherwise when you contact us.

The personal information that we collect depends on the context of your interactions with us and the Website, the choices you make and the products and features you use. The personal information we collect may include the following:

Personal information provided by you. We collect email addresses as contact and authentication data; and other similar information.

Payment data. We may collect data necessary to process your payment if you make purchases, such as your payment instrument number (such as a credit card number), and the security code associated with your payment instrument. All payment data is stored by Stripe. You may find their privacy notice link(s) here: <https://stripe.com/en-in/privacy>.

Google login data. We may provide you with the option to register with us using your existing account details at Google. If you choose to register in this way, we will collect the information described in the section called "HOW DO WE HANDLE YOUR THIRD-PARTY LOGINS?" below.

Media content. We store, process and automatically edit any media content you decided to upload to us as a core of our main products and Services.

Information automatically collected

We automatically collect certain information when you visit, use or navigate the Website. This information does not reveal your specific identity (like your name or contact information) but may include device and usage information, such as your IP address, browser and device characteristics, operating system, language preferences, referring URLs, device name, country, location, information about how and when you use our Website and other technical information. This information is primarily needed to maintain the security and operation of our Website, and for our internal analytics and reporting purposes.

Like many businesses, we also collect information through cookies and similar technologies.

The information we collect includes:

Log and usage data. Log and usage data is service-related, diagnostic, usage and performance information our servers automatically collect when you access or use our Website and which we record in log files. Depending on how you interact with us, this log data may include your IP address, device information, browser type and settings and information about your activity in the Website (such as the date/time stamps associated with your usage, pages and files viewed, searches and other actions you take such as which features you use), device event information (such as system activity, error reports (sometimes called 'crash dumps') and hardware settings).

Device data. We collect device data such as information about your computer, phone, tablet or other device you use to access the Website. Depending on the device used, this device data may include information such as your IP address (or proxy server), device and application identification numbers, location, browser type, hardware model Internet service provider and/or mobile carrier, operating system and system configuration information.

Location data. We collect location data such as information about your device's location, which can be either precise or imprecise. How much information we collect depends on the type and settings of the device you use to access the Website. For example, we may use GPS and other technologies to collect geolocation data that tells us your current location (based on your IP address). You can opt out of allowing us to collect this information either by refusing access to the information or by disabling your Location setting on your device. Note however, if you choose to opt out, you may not be able to use certain aspects of the Services.

HOW DO WE USE YOUR INFORMATION?

We use personal information collected via our Website for a variety of business purposes described below. We process your personal information for these purposes in reliance on our legitimate business interests, in order to enter into or perform a contract with you, with your consent, and/or for compliance with our legal obligations. We indicate the specific processing grounds we rely on next to each purpose listed below.

We use the information we collect or receive:

To facilitate account creation and logon process. If you choose to link your account with us to a third-party account (such as your Google account), we use the information you allowed us to collect from

those third parties to facilitate account creation and logon process for the performance of the contract. See the section below headed "HOW DO WE HANDLE YOUR THIRD-PARTY LOGINS?" for further information.

Request feedback. We may use your information to request feedback and to contact you about your use of our Website.

To manage user accounts. We may use your information for the purposes of managing our account and keeping it in working order.

To send administrative information to you. We may use your personal information to send you product, service and new feature information and/or information about changes to our terms, conditions, and policies.

To protect our Services. We may use your information as part of our efforts to keep our Website safe and secure (for example, for fraud monitoring and prevention).

To enforce our terms, conditions and policies for business purposes, to comply with legal and regulatory requirements or in connection with our contract.

To respond to legal requests and prevent harm. If we receive a subpoena or other legal request, we may need to inspect the data we hold to determine how to respond.

Fulfill and manage your orders. We may use your information to fulfill and manage your orders, payments, returns, and exchanges made through the Website.

To deliver and facilitate delivery of services to the user. We may use your information to provide you with the requested service.

To respond to user inquiries/offer support to users. We may use your information to respond to your inquiries and solve any potential issues you might have with the use of our Services.

WILL YOUR INFORMATION BE SHARED WITH ANYONE?

We may process or share your data that we hold based on the following legal basis:

Consent. We may process your data if you have given us specific consent to use your personal information for a specific purpose.

Legitimate interests. We may process your data when it is reasonably necessary to achieve our legitimate business interests.

Performance of a contract. Where we have entered into a contract with you, we may process your personal information to fulfill the terms of our contract.

Legal obligations. We may disclose your information where we are legally required to do so in order to comply with applicable law, governmental requests, a judicial proceeding, court order, or legal process, such as in response to a court order or a subpoena (including in response to public authorities to meet national security or law enforcement requirements).

Vital interests. We may disclose your information where we believe it is necessary to investigate, prevent, or take action regarding potential violations of our policies, suspected fraud, situations involving potential threats to the safety of any person and illegal activities, or as evidence in litigation in which we are involved.

More specifically, we may need to process your data or share your personal information in the following situations:

Business transfers. We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.

DO WE USE COOKIES AND OTHER TRACKING TECHNOLOGIES?

We may use cookies and similar tracking technologies (like web beacons and pixels) to access or store information. Specific information about how we use such technologies and how you can refuse certain cookies is set out in our Cookie Notice.

HOW DO WE HANDLE YOUR THIRD-PARTY LOGINS?

Our Website offers you the ability to register and login using your third-party account details (like GOOGLE login). Where you choose to do this, we will receive certain profile information about you from your third-party provider. The profile information we receive may vary depending on the third-party provider concerned, but will often include your name, email address, friends list, profile picture as well as other information you choose to make public on such a third-party platform.

We will use the information we receive only for the purposes that are described in this privacy notice or that are otherwise made clear to you on the relevant Website. Please note that we do not control, and are not responsible for, other uses of your personal information by your third-party provider. We recommend that you review their privacy notice to understand how they collect, use and share your personal information, and how you can set your privacy preferences on their sites and apps.

HOW DO WE HANDLE MEDIA CONTENT YOU UPLOAD TO US

Only content that you decide to upload is stored by our services. When you apply our products and Services to your media files the system generates bunch of new video files that partially include the content you uploaded to us initially.

We do assign original and post-edited media content cross-linked within independent projects. It means that any deletion of original content you provide to us will remove any related media generated by our products and Services.

If you choose to delete a project, all media will be permanently deleted. It cannot be recovered later. Data associated with the project and media, such as length or services applied, will still be part of aggregate reports.

Any content that you have uploaded is used by the machine processing way only and it's not accessible by anyone outside (without your personal authenticated account access).

We can use visual access to you media content for:

To protect our services. We may use your information as part of our efforts to keep our products and Services safe and secure. (i.e. to prevent usage of system for processing prohibited media)

To facilitate delivery of services to the user. We may use visual access to your media content to provide you with the requested service or support.

HOW LONG DO WE KEEP YOUR INFORMATION?

We will only keep your personal information for as long as it is necessary for the purposes set out in this privacy notice, unless a longer retention period is required or permitted by law (such as tax, accounting or other legal requirements). No purpose in this notice will require us keeping your personal information for longer than the period of time in which users have an account with us.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymise such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

HOW DO WE KEEP YOUR INFORMATION SAFE?

We have implemented appropriate technical and organizational security measures designed to protect the security of any personal information we process. However, despite our safeguards and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security, and improperly collect, access, steal, or modify your information. Although we will do our best to protect your personal information, transmission of personal information to and from our Website is at your own risk. You should only access the Website within a secure environment.

DO WE COLLECT INFORMATION FROM MINORS?

We do not knowingly solicit data from or market to children under 18 years of age. By using the Website, you represent that you are at least 18 or that you are the parent or guardian of such a minor and consent to such minor dependent's use of the Website. If we learn that personal information from users less than 18 years of age has been collected, we will deactivate the account and take reasonable measures to promptly delete such data from our records. If you become aware of any data we may have collected from children under age 18, please contact us at support@klipmeapp.com.

WHAT ARE YOUR PRIVACY RIGHTS?

In some regions (like the EEA and UK), you have certain rights under applicable data protection laws. These may include the right (i) to request access and obtain a copy of your personal information, (ii) to request rectification or erasure; (iii) to restrict the processing of your personal information; and (iv) if applicable, to data portability. In certain circumstances, you may also have the right to object to the processing of your personal information. To make such a request, please use the CONTACT DETAILS provided below. We will consider and act upon any request in accordance with applicable data protection laws.

If we are relying on your consent to process your personal information, you have the right to withdraw your consent at any time. Please note however that this will not affect the lawfulness of the processing before its withdrawal, nor will it affect the processing of your personal information conducted in reliance on lawful processing grounds other than consent.

If you are a resident in the EEA or UK and you believe we are unlawfully processing your personal information, you also have the right to complain to your local data protection supervisory authority. You can find their contact details here: https://ec.europa.eu/justice/data-protection/bodies/authorities/index_en.htm.

If you are a resident in Switzerland, the contact details for the data protection authorities are available here: <https://www.edoeb.admin.ch/edoeb/en/home.html>.

If you have questions or comments about your privacy rights, you may email us at support@klipmeapp.com.

ACCOUNT INFORMATION

If you would at any time like to review in your account or terminate your account, you can:

- Log in to your account settings and update your user account.
- Contact us using the contact information provided.

Upon your request to terminate your account, we will deactivate or delete your account and information from our active databases. However, we may retain some information in our files to prevent fraud, troubleshoot problems, assist with any investigations, enforce our Terms of Use and/or comply with applicable legal requirements.

Cookies and similar technologies: Most Web browsers are set to accept cookies by default. If you prefer, you can usually choose to set your browser to remove cookies and to reject cookies. If you choose to remove cookies or reject cookies, this could affect certain features or services of our Website.

Opting out of email marketing: You can unsubscribe from our marketing email list at any time by clicking on the unsubscribe link in the emails that we send or by contacting us using the details provided below. You will then be removed from the marketing email list – however, we may still communicate with you, for example to send you service-related emails that are necessary for the administration and use of your account, to respond to service requests, or for other non-marketing purposes. To otherwise opt-out, you may:

- Contact us using the contact information provided.

CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. At this stage no uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this privacy notice.

DO EU RESIDENTS HAVE SPECIFIC PRIVACY RIGHTS?

The GDPR (General Data Protection Regulation) is an important piece of legislation that is designed to strengthen and unify data protection laws for all individuals within the European Union.

If your company needs to ensure it is GDPR-compliant, it also needs to ensure its providers (i.e. Klipme) are also GDPR compliant. Klipme is GDPR-compliant, and strictly enforces the regulation as to protect the user data we store.

GDPR PRIVACY NOTICE

Types of data collected

If you are a Visitor, User or Business Partner, we may collect one or both of the following types of data from you when you use or access our website, the Services or when you interact with the Technology, as applicable.

The first type of data is aggregated, non-personal, non-identifiable information pertaining to your use of the website or interaction with the Technology ("Non-personal Data "). We are not aware of the identity of the individual from which the Non-personal Data is collected. Non-Personal Data may include your aggregated usage information and technical information transmitted by your device, including certain software and hardware information about your device (e.g., the device you use, the type of browser and operating system your device uses, language preferences, access times and the website's domain name from which you accessed the Services, etc.), in order to enhance the functionality of the Services and for security and functionality purposes.

The second type of information is individually identifiable information, namely information that identifies an individual or may with reasonable effort identify an individual ("Personal Data").

For the avoidance of doubt, if we combine Personal Data with Non-personal Data, the combined data will be treated as Personal Data as long as the data types remain combined. We act as a Processor of a

User's Personal Data that we process on behalf of our Business Partners. We are considered to be the Controller of the Personal Data we collect from our Business Partners and Visitors.

The types of data that we collect as well as our reasons for processing such data are specified in the tables below:

Data we collect from business partners and visitors

Type of data	How do we use it
<p>Data provided voluntarily. If you voluntarily contact us in any manner, whether via our contact form on our website, request a demo, via email, etc., you may be asked to provide us with your contact information such as your full name and email address as well as your Company name and job title.</p>	<p>We will use this data solely for the purpose of responding to your inquiries and to provide you with the support or information you requested. We will retain our correspondence with you for as long as we find necessary, subject to applicable law.</p>
<p>Business partner's registration. If you wish to partner with us and integrate the Technology within your Digital Assets you will be requested to register and create an account. During the registration you will be requested to provide your contact details such as your name, email address, phone number and company name. You may also provide us with your email address through registration or other means of communications if you choose to download our Technology through third parties' plugin or app marketplace.</p>	<p>We will use this data to provide the Services and designate your account. Your contact details will be used in order to send you needed information related to our Services and our business engagement (e.g., send you a welcome message, notify you regarding any updates to our Services, send inquiries regarding your use of our Technology and Services for example where we detect you have failed to complete the download or otherwise reached the offered cap, send applicable invoices, etc.) and additional occasional communications and updates related to the Services, as well as provide you with tips related to our Services, and promotional and marketing emails. We may also use the information in order to verify your identity, including by sending you a text message for password verification purposes. We use a third-party payment processor to process the payments in consideration for our Services. We will not obtain your payment details other than as needed for validation purposes (e.g., 4 digits, BIN, expiry date). The processing of your payment details will be subject to the applicable third-party processor's policies.</p>

<p>Newsletter & marketing list subscription. If you voluntarily subscribe to our newsletter through our website, or otherwise agree to receive our updates and content, you may be requested to provide us with your contact information such as your name, email address and company name. You can unsubscribe at any time using the unsubscribe option within the body of the applicable email correspondence or by contacting us directly.</p>	<p>We use this data solely in order to provide you with the content that you requested to receive. How Klipme collects data

Depending on the nature of your interaction with the website or the Services, the above mentioned data may be collected as follows:

Voluntarily. In the event you choose to provide us with information, e.g., when you contact us or if you are a Business Partner and you choose to share other information with us via your use of the Services.

Automatically. Your data may be collected automatically including via cookies (as explained below) and other similar tracking technologies. We will ask for your consent to collect Personal Data and offer you the choice to opt-out of such collection if we are required to do so in accordance with applicable law.

Who do we disclose Information to?

We do not share your Personal Data with third parties except as specifically mentioned herein:

Third party service providers. We may disclose your Personal Data to third parties that perform services on our behalf (e.g. tracking, servers, service functionality and support, marketing, etc.). These entities may be located in a different jurisdiction than you and are prohibited from using your Personal Data for any purposes other than providing us with the requested services;

Our third parties help us use your personal information, as described above, and include:

Government third parties, including government agencies, regulatory bodies and law enforcement agencies as required, authorized or permitted by law	

Third party rights. We may share your Personal Data, solely to the extent needed to prevent harm to the rights (including intellectual property rights and other legal rights), property or safety of us, our Visitors, Business Partners and their Users, yourself or any other third party.

Policy enforcement. We may share your Personal Data, solely to the extent needed in order to enforce our policies including investigations of potential violations thereof, to establish or exercise our rights to defend against legal claims or to detect, prevent, or take action regarding illegal activities or other wrongdoing, suspected fraud or security issues;

Legal requirement. We may disclose or share your Personal Data, solely to the extent needed to comply with any applicable law, regulation, legal process or governmental request (i.e., to comply with a court injunction, etc.) or for the purpose of collaborating with law enforcement agencies; or

Affiliated companies and corporate transaction. We may share your Personal Data with a parent company, subsidiaries, joint ventures, or other companies under common control. In addition, we may share information, in the event of a corporate transaction (e.g. sale, merger, consolidation, etc.), provided however, that our affiliated companies or acquiring company will be subject to the obligations detailed herein with respect to your Personal Data.

Online identifiers. We may share Online Identifiers with our Business Partners and advertising partners for the purpose of the Services, as well as to detect fraud and calculate payments.

Your Individual Rights

Right to be informed. We clearly inform our users about the use that will be made of their data

Right of rectification. it's as simple as contacting us, we'll process all your rectification queries

Right of erasure. it's as simple as contacting us, we'll process all your erasure queries

Right to restrict processing. We don't process the data of our customers (and our customers end-users)

Right to data portability. Our users may contact us anytime if they wish to get an export of their data (this may take time, however, as the data is fragmented amongst multiple isolated data-stores)

Right to object. We handle all requests on this matter from our users and users' end-users (contact us)

Right not to be subject to automated decision-making including profiling. We don't do that (and never will)

Our Privacy Rights

Change in Control or Sale. We can also share your personal information as part of a sale, merger or change in control, or in preparation for any of these events. Any other entity which buys us or part of our business will have the right to continue to use your information, but only in the manner set out in this Policy unless you agree otherwise.

International transfers of personal information (for users in the Designated Countries). For our users in the Designated Countries, where we transfer your personal information to a third party provider that is not located in the Designated Country and is not subject to an adequacy decision by the EU Commission, we will require those third party providers to enter into an agreement that provides appropriate safeguards for your information.

Security. Our team closely monitors any unauthorized system access, and has put in place multiple preventive measures to reduce the attack surface on our systems and services. In 1 year, Klipme has had 0 major security issues, with only a few minor ones, which we fixed the same day they were reported (those would not have allowed a hack or data breach).

Data Retention. We generally retain your personal information as long as you keep your account open or as needed to provide you Services. This includes data you or others provided to us and data generated or inferred from your use of our Services. In some cases we choose to retain certain information (e.g., insights about Services use) in a depersonalized or aggregated form.

Data Protection Officer. Klipme has a designated Data Protection Officer, as required by GDPR

DO CALIFORNIA RESIDENTS HAVE SPECIFIC PRIVACY RIGHTS?

California Civil Code Section 1798.83, also known as the "Shine The Light" law, permits our users who are California residents to request and obtain from us, once a year and free of charge, information about categories of personal information (if any) we disclosed to third parties for direct marketing purposes and the names and addresses of all third parties with which we shared personal information in the immediately preceding calendar year. If you are a California resident and would like to make such a request, please submit your request in writing to us using the contact information provided below.

If you are under 18 years of age, reside in California, and have a registered account with the Website, you have the right to request removal of unwanted data that you publicly post on the Website. To request removal of such data, please contact us using the contact information provided below, and include the email address associated with your account and a statement that you reside in California. We will make sure the data is not publicly displayed on the Website, but please be aware that the data may not be completely or comprehensively removed from all our systems (e.g. backups, etc.).

CCPA PRIVACY NOTICE

The California Code of Regulations defines a "resident" as: (1) every individual who is in the State of California for other than a temporary or transitory purpose and (2) every individual who is domiciled in the State of California who is outside the State of California for a temporary or transitory purpose.

All other individuals are defined as "non-residents."

If this definition of "resident" applies to you, we must adhere to certain rights and obligations regarding your personal information.

How do we use and share your personal information?

More information about our data collection and sharing practices can be found in this privacy notice. You may contact us by email at support@klipmeapp.com, or by referring to the contact details at the bottom of this document.

If you are using an authorized agent to exercise your right to opt-out we may deny a request if the authorized agent does not submit proof that they have been validly authorized to act on your behalf.

Will your information be shared with anyone else?

We may disclose your personal information with our service providers pursuant to a written contract between us and each service provider. Each service provider is a for-profit entity that processes the information on our behalf.

We may use your personal information for our own business purposes, such as for undertaking internal research for technological development and demonstration. This is not considered to be "selling" your personal data.

Klipmeapp.com has not disclosed or sold any personal information to third parties for a business or commercial purpose in the preceding 12 months. Klipmeapp.com will not sell personal information in the future belonging to website visitors, users and other consumers.

Your rights with respect to your personal data

Right to request deletion of the data - Request to delete. You can ask for the deletion of your personal information. If you ask us to delete your personal information, we will respect your request and delete your personal information, subject to certain exceptions provided by law, such as (but not limited to) the exercise by another consumer of his or her right to free speech, our compliance requirements resulting from a legal obligation or any processing that may be required to protect against illegal activities.

Right to be informed - Request to know. Depending on the circumstances, you have a right to know:

- whether we collect and use your personal information;
- the categories of personal information that we collect;
- the purposes for which the collected personal information is used;
- whether we sell your personal information to third parties;
- the categories of personal information that we sold or disclosed for a business purpose;
- the categories of third parties to whom the personal information was sold or disclosed for a business purpose; and
- the business or commercial purpose for collecting or selling personal information.

In accordance with applicable law, we are not obligated to provide or delete consumer information that is de-identified in response to a consumer request or to re-identify individual data to verify a consumer request.

Right to non-discrimination for the exercise of a consumer's privacy rights. We will not discriminate against you if you exercise your privacy rights.

Verification process. Upon receiving your request, we will need to verify your identity to determine you are the same person about whom we have the information in our system. These verification efforts require us to ask you to provide information so that we can match it with information you have previously provided us. For instance, depending on the type of request you submit, we may ask you to provide certain information so that we can match the information you provide with the information we already have on file, or we may contact you through a communication method (e.g. phone or email) that you have previously provided to us. We may also use other verification methods as the circumstances dictate. We will only use personal information provided in your request to verify your identity or authority to make the request. To the extent possible, we will avoid requesting additional information from you for the purposes of verification. If, however, we cannot verify your identity from the information already maintained by us, we may request that you provide additional information for the purposes of verifying your identity, and for security or fraud-prevention purposes. We will delete such additionally provided information as soon as we finish verifying you.

Other privacy rights.

- you may object to the processing of your personal data
- you may request correction of your personal data if it is incorrect or no longer relevant, or ask to restrict the processing of the data

- you can designate an authorized agent to make a request under the CCPA on your behalf. We may deny a request from an authorized agent that does not submit proof that they have been validly authorized to act on your behalf in accordance with the CCPA.
- you may request to opt-out from future selling of your personal information to third parties. Upon receiving a request to opt-out, we will act upon the request as soon as feasibly possible, but no later than 15 days from the date of the request submission.

To exercise these rights, you can contact us by email at support@klipmeapp.com, or by referring to the contact details at the bottom of this document. If you have a complaint about how we handle your data, we would like to hear from you.

DO WE MAKE UPDATES TO THIS NOTICE?
